Petition to President Barack Obama / Petición al Presidente Barack Obama

President Obama: We call on you to free immediately the three remaining imprisoned men in the case known as the Cuban Five: Gerardo Hernández, Ramón Labañino and Antonio Guerrero. They have been unjustly imprisoned in the U.S. for defending the Cuban people against terrorist acts. We also call on you to immediately allow Adriana Pérez visiting rights to see her husband Gerardo Hernández.

Presidente Obama: Le hacemos un llamado para la liberación inmediata de los tres cubanos del caso de Los Cinco Cubanos. Han sido injustamente condenados por defender al pueblo de Cuba de actos terroristas y se encuentran actualmente presos en cárceles estadounidenses. Sus nombres son Gerardo Hernández, Ramón Labañino y Antonio Guerrero. Exigimos también que le otorgue visa para Adriana Pérez, esposa de Gerardo Hernández, para poder entrar al país a visitar a su esposo.

René González completed his sentence in October 2011 and after an imposed probation sentence of three years, he was allowed by the U.S. court to return home to Cuba in June 2013. Fernando González completed his sentence in February 2014 and returned immediately home to Cuba. The struggle continues to free Gerardo, Ramón and Antonio.
